

TAX RESOURCE ORDER FORM

We provide **FREE** literature and tools to our agency partners so they can educate clients & candidates on the legal, financial & HR aspects of household employment.

The following best-practice steps are designed to make tax & legal education easier and more effective:

- Step 1:** *Early in the placement process, help families and candidates budget using our online calculators.*
- Step 2:** *Verbally Alert families that they need to be aware of payroll, tax and labor law requirements.*
- Step 3:** *Forward our HTML Emails to families and candidates.*
[NOTE: Busy families probably won't take the time to read these materials unless you verbally prepare them first].
- Step 4:** *(Optional) Include reminder of payroll & tax responsibilities in your employment agreement.*
- Step 5:** *(Optional) Provide a complimentary co-branded copy of The Household Employment Handbook.*
